Dear Chairwoman Rosa DeLauro and Ranking Member Granger:

I am requesting funding for the Santa Ynez Band of Chumash Indians Wastewater Treatment Plant in fiscal year 2022. The entity to receive funding for this project is the Santa Ynez Band of Chumash Indians and the project is located at 3400 CA-246, Santa Ynez, CA 93460. The funding would be used to support completion of the initial engineering analysis required to implement the preferred alternative for the .31 MGD expansion of the wastewater treatment facility. Once completed the project will result in additional capacity to serve tribal and non-tribal communities in the Santa Ynez Valley. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

SALUD CARBAJAL
Member of Congress
