Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the San Luis Obispo County Jail Security System Project in Fiscal Year 2025. The entity to receive funding for this project is located in San Luis Obispo, CA.

The funding would be used to replace the jail security electronics system installed in 2014. The system handles all security inside the San Luis Obispo County Jail, including but not limited to video surveillance, door controls, and intercoms for both the San Luis Obispo County Jail and the Honor Farm. In addition, the system provides oversight and security for the staff and inmates housed inside the jail.

The project is an appropriate use of taxpayer funds because it will support public safety.

The project has a Federal nexus because the funding provided is for purposes authorized in section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "S.O. Carbajal".
