Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Morro Bay – Bonita Street Fire Station Project in fiscal year 2027. The entity to receive funding for this project is the City of Morro Bay located at 460 Bonita Street, Morro Bay, CA 93442. The funding would be used to redevelop a long unstaffed fire station into a modern, two-story living quarters facility. The facility would be designed for a three-person company with three bedrooms and two baths and would be expected to provide over 30 years of service.

The project is an appropriate use of taxpayer funds because the station would greatly reduce response times to North Morro Bay potentially by 50% as well as improve overall levels of service to the entire community. In addition, the project would also provide needed redundancy of services for improved disaster resiliency and could lower insurance costs for homeowners and commercial interests.

This project has a Federal nexus as it is for the same purposes authorized in section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family. Sincerely,
Member of Congress

Sincerely,
