Dear Chair Cole and Ranking Member DeLauro:

I am requesting funding for the County of Santa Barbara Oasis Senior Center Project in Fiscal Year 2027. The entity to receive funding for this project is located at 1100 Anacapa St Santa Barbara, CA 93101. The requested federal funding will be used support construction of the OASIS Senior Center component of the Orcutt Community Center Project. The proposed Orcutt Community Center will bring together the long-standing Orcutt Area Seniors in Service (OASIS) programming and the Orcutt Branch Library into a shared, expanded facility designed to serve residents of all ages throughout the Santa Maria Valley. The center will offer increased library services, vital working areas, and flexible space for community residents.

This funding is a good use of taxpayer dollars because it leverages shared infrastructure to deliver senior services, expanded library access, and emergency response capabilities—benefiting a broad cross-section of the community.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "S.O. Carbajal".
