

Congress of the United States

Washington, DC 20510

April 29, 2022

The Honorable Rosa DeLauro
Chairwoman
Appropriations Committee
Washington, DC 20515

The Honorable Kay Granger
Ranking Member
Appropriations Committee
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting \$2 million for the construction of the Nipomo Sherriff and Public Safety Station to be located on an undeveloped one acre parcel located at the northeast corner of the Tefft Street and Carrillo Street intersection in the Town of Nipomo, CA, 93444. The undeveloped parcel has no current street address.

The funding would be used to fund part of the construction of a 6,000 square foot facility to be staffed with a full complement of sworn deputies and civilian personnel and operate it as a 24-hour facility that would exclusively serve the needs of the Nipomo community. There is currently no station in Nipomo. The main station is in Oceano, CA and a small room has been rented for several years to allow deputies to conduct business including writing reports and meeting witness without needing to return to the Oceano station. It is reasonable to believe the residential and commercial areas of Nipomo will continue to grow for several years, and with that will come an ever more acute need for centrally located community law enforcement services.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Salud Carbajal
Member of Congress
