The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth HOB  
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the City of Lompoc: RMS System Upgrade in fiscal year 2024. The entity to receive funding for this project is the City of Lompoc, California located at 100 Civic Center Plaza, Lompoc, CA 9343.

The funding would be used for a new Records Management System that consists of a Computer Aided Dispatch and Jail Management System. The city's current system was installed in 2002 and is technologically inadequate. Purchasing a new complete RMS system will allow the Lompoc Police Department to improve its service and create a safer community. It will also provide analytical data to determine crime trends and patterns.

The project is an appropriate use of taxpayer funds because it will allow the Lompoc Police Department to improve its service and create a safer community.

The project has a Federal nexus because the funding provided is for purposes authorized in section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. §10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "S.O. Carbajal".
