Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the City of Santa Maria Storm Drainage Improvements Project in fiscal year 2024. The entity to receive funding for this project is the City of Santa Maria, located at E Boone St & S College Dr, Santa Maria, CA 93454.

The funding would be used for construction of storm drainage improvements that are necessary to address flooding and will entail the installation of a significant amount of stormwater piping of a variety of widths and standard installation activities.

The project is an appropriate use of taxpayer funds because it will improve storm drainage infrastructure and these measures will help manage storm water.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "S.O. Carbajal".
