Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the County of SLO: Radio Dispatch Console in fiscal year 2024. The entity to receive funding for this project is located at 1055 Monterey Street, San Luis Obispo, CA 93408.

The funding would go to the replacement of San Luis Obispo County Sheriff's Office's radio dispatch system, including hardware and software. The Sheriff's Office operates the largest PSAP (Public Safety Answering Point, or "911") in the County. The PSAP handles over 100,000 calls for service a year. The county's current software and services support system operated by Motorola expires in September 2024.

The project is an appropriate use of taxpayer funds because it will ensure that the County can respond to public safety and first responder calls.

The project has a Federal nexus because the funding provided is for purposes authorized in section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "S.O. Carbajal".
